MEMORANDUM

To: Linn County Board of Commissioners

From: Captain Andy Franklin

Date: February 10, 2022

Re: Temporary Employment Agreement – Resolution & Order No. 2022-030

The Linn County Sheriff's Office is seeking approval to enter into a Temporary Part-Time Employment Agreement with retired Deputy Craig Lyman. The agreement would allow Deputy Lyman to work approximately 30 hours per week with a primary focus on traffic enforcement in Contract Cities.

The Sheriff's Office contracts with numerous cities in Linn County. Due to current staffing levels, it has been challenging for the Sheriff's Office at times to meet the minimum number of required hours for the cities. This contract would assist the Sheriff's Office in meeting those minimum number of hours until staffing levels improve.

Re: Resolution & Order No. 2022-064

The following item is scheduled to be heard on 02/15/2022:

1. Resolution & Order 2022-064: A memorandum of understanding (MOU) between The Linn County Sheriff's Office and Oregon Health Authority that will provide the Linn County Jail an Abbott ID Now COVID testing machine. These machines can conduct timely and accurate COVID-19 tests. OHA requires that "using the System must comply with Oregon Administrative Rules (OAR) Chapter 333, Division 24, including but not limited to the requirement to be Clinical Laboratory Improvement Amendments (CLIA) certified or have a waived laboratory as described in temporary OAR 333-024-3000." A full breakdown of these conditions is attached to this summary.

Financial Impact: Currently there is no estimated financial impact. In the event that OHA or OEM run out of testing strips/supplies the Sheriff's Office may have to order supplies from a third-party vendor out of our own budget.

They have completed an Enterprise Zone Authorization Application dated October 22, 2021.

Under regular enterprise zone exemption rules the company is required to add 10% to their existing workforce in the zone, which is 1, they plan on hiring 5 additional employees. The regular property tax exemption is for 3 years.

RE: Ordinance No. 2022-020, Ordinance No. 2022-021, and Resolution No. 2022-004

The following items are scheduled to be heard on February 15, 2022 second reading for Ordinance 2022-020 and Ordinance 2022-021:

Ordinance No. 2022-020: "In the Matter of Amending LCC 430, the Contract Review Board Code"

- ▶ Proposed updates to the LCC 430, the Contract Review Board Code, will permit the County adopt changes to the Linn County Public Contracting Rules (LCPR) via an informal public hearing (i.e. public notice and 30 days opportunity to provide written comments), rather than a formal public hearing (i.e. in-person comments accepted via a formal proceeding). This update will hopefully allow for more efficiency of staff time and greater public participation in the LCPR rulemaking process.
- ▶ **Second reading.**

Ordinance No. 2022-021: "In the Matter of Amending LCC 630, the Contract Administration Code"

- ▶ LCC 630, Contract Administration Code, requires amendments to update obsolete language, add Real Property Program Manager to Appendix 2, and to revise procedures to better match state law.

Re: Intergovernmental Agreement for the Transportation Service Grant Award Agreement (No.VS0151) Between the Oregon Department of Veterans Services and Linn County and Oregon Delegating Authority to Execute Originals.

The following items are scheduled to be heard on February 15, 2022:

Resolution & Order 2022-047 Linn County Veterans Services applied for a grant through Oregon Department of Veterans Affairs (ODVA) in November 2021. Our goal for this grant was to provide transportation for medical appointment and VA evaluations for those veterans with transportation issues. This has been an ongoing issue for Linn County Veterans, especially those in the rural areas. We were awarded the grant in January 2022 in the amount of \$11,000. We have until June 2023 to use these funds.

Financial Impact: We will be paying the medical transport service after each transport, via invoice that will be paid through our general fund. Each month we will be submitting reimbursement forms to ODVA along with the receipts from Quality Medical Transport to reimburse our general fund. I have been in contact with the Michelle, in the Treasures office to make sure the funds are distributed to the proper accounts for reimbursement.

Staff Recommendation: We are requesting that the board approve resolution & order 2022-047.
