From: Wayne Mink, Roadmaster *WEM*

RE: Background Information for Agenda Items – 1/18/2022

The Road Department has the following items on the Board of Commissioners agenda for the weekly meeting on January 18, 2022. The following is a brief description of the items.

Bid Opening – Thomas Creek-Richardson Gap Road (Shimanek) Covered Bridge Project

This is a scheduled bid opening for the above referenced project.

2022-019 – Establishment of a No Parking Regulation on McFarland Road

This is a Resolution & Order to establish a no parking regulation on McFarland Road between mile post 0.08 and 0.13 on the east side of the road. Currently, vehicles parking along the right-of-way in this area create a public safety hazard by obstructing sight visibility for the residents exiting the Ashwood Estates Development. The primary entrance and exit for the Ashwood Estates is on McFarland Road. The City of Tangent has approved a Resolution in support of this proposal and the property management firm for Ashwood Estates is also in support.

We request your approval.

Randy Porter, Expo Manager
Linn County Fair & Expo Center
3700 Knox Butte Rd.
Albany, OR 97322

Mr. Porter and the Linn County Commissioners:

Thanks to the Linn County Fairground & Expo, Christmas Storybook Land was able to offer Willamette Valley communities a free, family orientated holiday experience and collect much needed food for the Fish of Albany food bank at our 45th anniversary presentation held from December 3rd to 17th, 2021, at the Fairgrounds.

With continued Covid-19 concerns, the fairground managers helped us think outside the box and come up with a plan to keep visitors safe and show off our intricate displays of holiday scenes. The Fairgrounds offered us TWO sections of the Cascade Pavilion [some 40,000 sq. ft.] that allowed us to present an indoor drive-through with 106 scenes.

Kris Barnes and Randy Porter were on call every step of the way helping us solve problems with a new layout, signage, traffic control, and a myriad of other issues. Our day-to-day needs during our 4-week stay were quickly and capably handled by the friendly maintenance crew.

The success we achieved with our first ever drive-through must be shared with the Linn County Fair and Expo. Some 18,000 guests in vehicles visited and generously donated over 13,000 items of food for the Fish of Albany pantry.

The personal dedication and care exhibited for Storybook Land by the fairgrounds is an unimagined gift. When our supplier of tree chipping services sold out to a new company without notice, the Fairground Director, Randy Porter, offered to come out in the cold and help us dispose of our hundreds of trees—that is amazing! Fortunately, the new owners, Bartlett Tree Experts, stepped up and honored the complimentary tree-chipping service.

It is our sincere hope to have your continued support in providing this unique Albany tradition in the years ahead.

Thank you for all you do,

Carol Wood, 2021 CSBL President
