Re: Linn County Emergency Operations Plan Promulgation

Resolution & Order 2025-: The Linn County Emergency Operations Plan (EOP) has been updated; the previous version dated back to 2022. This revision was a collaborative effort involving multiple county departments and partner agencies. A significant portion of the update focused on incorporating lessons learned from the 2023 and 2024 wildfire seasons, as well as the 2024 winter storm.

Additionally, this version removes the Emergency Support Functions (ESFs) and replaces them with seven Community Lifeline Annexes. The Community Lifelines model, developed by FEMA, provides a more streamlined approach for designating roles and responsibilities within local government operations.

Financial Impact: Having a current EOP on file helps Linn County maintain compliance with FEMA for future grant opportunities.
