

Health Informatics Analyst

LINN COUNTY DEPARTMENT OF HEALTH SERVICES

Class Code: 770

AVAILABLE POSITION

Health Informatics Analyst

Health Information Technology (Classification 092)

Classified/Exempt Full Time (37.5 hours/week) position

ESSENTIAL FUNCTIONS:

Implement, maintain, and enhance Health Department operational systems with both technical and functional support. Coordinate with vendors, contractors, and end users to ensure the optimal utilization of electronic medical records and other systems used within the Department. Transfer knowledge of the Health Department's systems and daily operations into useful information for planning, operations, training, and monitoring of activities. Provide support, training, documentation for use, and recommendations for optimization of electronic medical record systems. Produce forms and reports to extract information from various computer systems.

MINIMUM QUALIFICATIONS:

A bachelor's degree in computer related discipline, public health, health informatics, health administration, health communication or a related field from an accredited institution and three years' experience with assessment implementation, administration and/or maintenance of healthcare related technologies including specific knowledge of Electronic Health Record software (EHR/EMR) is required. Three years' experience with qualitative or quantitative data collection and analysis, HL7 standards, healthcare data sources, concepts, and metrics, working within a health center or clinical setting, including medical terminology and workflows is preferred or any satisfactory equivalent combination of experience, education and training which demonstrates the ability to perform the work described. Must be able to pass a criminal history check and possess a valid Oregon drivers' license with an acceptable driving record.
